

BINNEY STREET STREETSCAPE UPGRADE

PROJECT TIMELINE

1

INITIAL ENGAGEMENT

Council called on Euroa residents to provide their suggestions for the streetscape upgrades via a survey.

2

DRAFT PLANS

Council provided the community with a draft design, based on their prior feedback. We asked the community to have its say on the design via a survey.

3

STAGE 1 CONSTRUCTION

Construction to half of Binney Street (Post Office end) took place. This was completed in mid-2022.

CURRENTLY

4

STAGE 2 CONSTRUCTION

Construction to the second half of Binney St (Chemist end) is expected to begin in July. The street will undergo the upgrades outlined in the detailed design. As a result, DESIGNEuroa will remove and re-home the tree and rock installation.

5

COMPLETION

The works are expected to be completed by October, 2023 (weather permitting). This will complete the overall Binney Street upgrade.

STAGE TWO

EXISTING CROSSING RENEWAL BINNEY STREET!

The second stage of the streetscape renewal plan will see improvements to the northern end of the street (outside Mawson's Bakery and the Euroa Pharmacy). This stage is a replication of the first stage and deliverables include:

- Removal of existing street furniture, signage and brick pavement etc.
- Construction of new exposed aggregate concrete pavements
- New Garden beds with associated low level plantings replicating stage 1
- New Advanced trees (4 Nos) replicating stage 1
- New Street Furniture – Seats, Bike Racks, Bin Enclosures (matching with stage 1)
- Replace all existing bin Enclosures in Binney Street between roundabout and railway end with new matching Bin Enclosures
- New signage around pedestrian crossing including line marking for the crossing
- New Street Lights with provisions for banner and festive light holding replicating stage 1.
- Two power outlets in the centre median similar to stage 1

STAGE TWO

EXISTING CROSSING RENEWAL BINNEY STREET!
