STAGE ONE - QUEEN STREET & WAYFINDING

The first stage of the streetscape renewal plan aims to deliver a portion of the project in the immediate term which utilises an existing funding agreement with the Federal government.

The following describes this stage of the streetscape renewal plan and the initial steps required to see it implemented.

DELIVERABLES

- Installation of entry signage and low level planting surrounding it
- Installation of overhead signage on Queen Street & Bank Street
- Verge extension at the end of Queen Street improving pedestrian movement
- Landscaping surrounding pedestrian railway crossing
- Installation of bark/ground cover and feature granite rocks where low level planting indicated
- Installation of advanced trees and low level planting
- Installation of new bench seats, bollards and bin surrounds on Queen Street
